

A modern bathroom with two white pedestal sinks and mirrors, with a view into a bedroom. The bathroom has a dark grey wall and a wooden floor. The bedroom in the background features a grey sofa with a green blanket, two orange lamps, and a white bookshelf. The ceiling has a modern, multi-tiered light fixture.

CRONOS DESIGN
LED ILLUMINATED MIRRORS

standard

DESIGN

STANDARD
line

The standard line profile is a mirror without lighting.

STANDARD + S line

The Standard + S profile is perfect for smaller spaces. Featuring a classic mirror with glass shelf in an aluminum frame, creating a sense of elegance and functionality.

Sandblasted mirror with LED backlight

Standard + S

QUALITY

STANDING MIRROR
Available with or without lighting

CLASSIC line

The Classic profile displaying a single border flush against the edge of the aluminum frame. Creating a very simple and clean style.

CLASSIC

FREE

standing line

Free standing full length mirror with aluminum frame.

Simple

SIMPLE line

With the simple line design, you have the option of blasting one or two parallel strips vertically or horizontally with back light LED Power Supply and optional power switch.

Sandblasted mirror
with LED backlight

double

DOUBLE line

Two borders sandblasted with
LED backlight

The Double Line profile includes a double border with an
aluminum frame. Creating a polished and sophisticated
look.

PISA line

The Pisa profile showcases a single banded border, available with the option to mount hinges on the side, creating a versatile door front.

Sandblasting two equal lines around border with an LED backlight

3D line

The 3D line profile creates an added dimension using ascending size variations. This profile can add an artistic flare to any room.
